Information and

Notification

This project was supported by Grant No. 2011-VN-CX-0012 awarded by the Bureau of Justice Assistance. The Bureau of Justice Assistance is a component of the Office of Justice Programs, which also includes the Bureau of Justice Statistics, the National Institute of Justice, the Office of Juvenile Justice and Delinquency Prevention, and the Office for Victims of Crime. Points of view or opinions in this document are those of the author and do not represent the official position or policies of the United States Department of Justice.

What is SAVIN?

SAVIN is a program administered by the Bureau of Justice Assistance (BJA) at the US Department of Justice to help states create or **improve automated victim notification systems.**

Collaboration

The success of the program depends on close collaboration between:

- Law Enforcement
- Courts
- Victim Advocates
- Victims

What is SAVIN-NY?

SAVIN-NY is the **SAVIN** program in New York State administered by the NYS Sheriffs' Institute as the lead SAVIN agency working in partnership with:

- NYS Association of Chiefs of Police
- NY-Alert - NYSDHSES
- NYS Police – eJusticeNY Integrated Justice Portal
- Westchester County Office for Women
- NYS Office for Victim Services
- NYS Office for the Prevention of Domestic Violence
- NYS Unified Court System
- NYS Coalition Against Domestic Violence

NYS Sheriffs' Institute history with victim notification:

1998

Awarded VOCA funding through the NYS Office of Victim Services to establish VINE in County Correctional Facilities throughout NYS – **OPERATIONAL**

Recipient of BJA SAVIN Award:
Photo Enhancement to NYS VINE - **OPERATIONAL**

BJA SAVIN Award: Order of Protection Notification System - Family Court Pilot – **OPERATIONAL**

BJA SAVIN Award: Order of Protection Notification System – Expansion Project – **ACTIVE**

Background

- One of the most **critical periods** for a domestic violence victim's safety is the period immediately following service of an Order of Protection.
- Respondents often **react with rage** upon learning of intervention by a court and service by law enforcement in what they often **regard as a private family matter**.

Focus of the Project

- Victim-centric – Victim's choice to participate
- Strengthen uniform procedures in NYS supporting victim notification
- Timely Notification = Empowers the victim to make informed decisions

Project Priorities

- **Provide a high quality service to victims in NYS**
- **Sustainability and Continuity – *outlive the grant***
 - Leverage existing infrastructure
 - Become part of “the system”
- **Become a model for the rest of the country**
 - Position NYS for *out year* funding

Statewide Automated Victim Information and Notification

The period of time immediately following service of an **ORDER OF PROTECTION** is crucial for the victim. SAVIN-NY notifies a victim when a Family Court Order of Protection has been served, providing the information they need to take appropriate precautions for themselves and their loved ones.

THE EFFECTIVENESS OF THE SYSTEM DEPENDS ON THE ACTIONS OF 4 GROUPS:

COURTS:

Notify victims of the program and enter the Order of Protection into the New York State Domestic Violence Order of Protection Registry.

ADVOCATES:

Inform victims about the program and assist them in registering.

VICTIMS:

Choose to take a few minutes to register for notification. Visit www.nyalert.gov/op to register.

LAW ENFORCEMENT:

In addition to serving the order, the law enforcement officer must enter the service data into the Order of Protection Service Screen on the eJusticeNY portal.

Do not depend solely on this notification for your protection. If you feel that you are at risk, seek help and take appropriate precautions. For more information about this and other services available to victims of domestic violence, visit: www.sheriffsinstitute.org. For additional information about SAVIN-NY, please contact the New York Sheriffs' Institute at (518) 434-9091 or at info@savin-ny.com.
